

End of Season CHECKLIST

The more thoroughly you put your field to bed for the winter,
the easier it will wake up come spring.

FIELD FENCING-NETTING-PADDING	NOTES
<input type="checkbox"/> Inspect and repair/replace fencing to maintain safety	
<input type="checkbox"/> Inspect all windscreen, replace faded or worn panels	
<input type="checkbox"/> Remove all windscreen for winter or make sure all panels are fully secured to fencing
